PASSION TO PROFESSION
ADMI's Graphic Design programme teaches students the latest graphic design techniques and software. Through a project-based curriculum that leverages Adobe Education learning resources, students learn to communicate ideas across a range of visual mediums.

The course begins with an introduction to the history of design and design principles before progressing to branding, digital artwork, and motion graphics. Over the course of two years, students complete briefs for real clients using a variety of software from Adobe Creative Suite, including Adobe Illustrator, Photoshop, InDesign and After Effects.

Students graduate with impressive portfolios that include digital artwork, web designs, and original brand concepts along with an added Adobe Certified Associate credential recognized by employers around the world.

**COURSE DESCRIPTION**

Upon successful completion of the programme, graduates will be able to:

- Use elements of design, including typography, colour, and balance commercial and artistic compositions
- Use graphics and animation fundamentals including 3D Modelling, Adobe Illustrator and Photoshop
- Develop brands and products using human-centred design principles

**UNITS:**

- Drawing, Digital Illustration, Graphic Artwork, Infographics
- Adobe Photoshop, Illustrator, Indesign, After Effects
- Branding, Packaging & Printing, Web Design, Motion Graphics

**COURSE DURATION:** 4 Terms

**CREDITS:** Average of 7 units per term with 24 contact hours each

**LEARNING OUTCOMES**

ADMI students gain a competitive edge over their peers by earning Adobe Certified Associate (ACA) certifications in:

- Visual Communications using Adobe Photoshop®
- Graphic Design & Illustration using Adobe Illustrator®
- Print & Digital Media Publication using Adobe InDesign®
- Web Communications using Adobe Dreamweaver®

ADMI instructors prepare students to successfully pass these exams through a curriculum that leverages Adobe Education learning resources and real-world applications.
