All programmes are capped at 24 students. Accepted students are encouraged to register as early as possible to secure a place in their desired programmes.

Late Fee Payments: A late payment fee of Kshs. 2,000 applies to all payments received after September 6, 2019. This also applies to payments that haven't met the 50% threshold. The last day for late registration is September 20, 2019. Students will not be admitted after September 20, 2019. Additional late fee payments for installments received after their due date apply.

Refunds: All payments are non-refundable and non-transferable to other programmes. ADMI will only refund students if a programme is canceled, and students and sponsors will be notified of any cancellations by September 2, 2019. ADMI reserves the right to cancel a program for operational reasons.

Late Payments: Students will not be allowed to attend classes until payment has been made. Non-attendance negatively impacts academic performance. Students who miss 3 or more classes will be required to retake the unit. Therefore, ADMI strongly encourages students and their families to make the payments on time.

Outstanding Balances: If a student has an outstanding fee balance after December 6, 2019, he/she will not be allowed to sit for examinations or participate in projects. He/She cannot enroll in another term until the outstanding balance has been paid.

Deferring a Term: ADMI encourages students to defer to the next term if they and their families are not confident they are able to pay the required fees by the stated deadlines. In order to be readmitted, the student will be required to pay the fees applicable to that term.

Enrolling in Additional Units: If a student wishes to pursue an interest outside his/her programme, he/she can enroll in an additional unit. Students are required to inform the administration in writing by August 30, 2019 and pay an additional Kshs. 20,000 per additional unit by September 6, 2019.

Enrolling in Private Tutoring: If a student is struggling in a unit and requires additional one-on-one support, he/she can enroll in private tutoring. The student is required to inform the administration in writing and receive written approval from the administration. The price for tutoring is an additional Kshs. 1,500 per hour and payment for private tutoring is required upfront.

Resit Policy & Payments: If a student scores between 50% - 59%, they will be admitted to the next semester on the condition that the student resits for any units (where scores fall between 50 - 59%) during the finals week in the following semester in order to progress to another semester. The cost incurred for resit is Ksh. 5,000 per unit.

In the event that a student is transitioning from a certificate into a diploma program, an exception will be made to allow the student to resit for the unit(s) they have failed at a rate of Ksh. 5,000. Note that the student must receive formal clearance from the Academic Administrator, as well as the Finance department before making the payment for the resit. The Academic Administrator will be responsible for scheduling all resits for transitioning student.

Retake Policy and Payments: As a premier institution, ADMI upholds high academic standards. If a student scores 49% and below, s/he will be not admitted to the next semester and must retake the entire unit during the following semester, before progressing into their respectful cohort. The cost incurred for retakes is Ksh. 25,000 per unit.

Students Who Fail Multiple Units & Fail to Uphold Our Code of Conduct: In special circumstances where a student has failed multiple units and fails to show up for classes for her/his retake classes and/or disappears during midterm or finals week without communication to the Academics and Finance team, the administration reserves the right to dismiss the student from continuing his/her studies at ADMI.

Fee Increase: Please be aware that school fees are liable to increase between 10% and 20% every January to account for inflation and other considerations.

Dishonoured cheques are subject to a fee of Kshs. 2,000 payable immediately.

Overpayment: Any fee overpayment will be automatically transferred to next term's fees. ADMI will not process any refunds.

Graduation: Students are not allowed to graduate if they have not completed and passed all of the required units for their programme. In addition, it is mandatory for all Diploma students to receive a **Pearson Certificate**. The certificate fee is **£ 100** and is due on **March 1, 2020**.
